Calloway County Fiscal Court Employment Application Instructions

Many applicants either have their applications rejected due to errors that may be avoided. The following information is an effort to help you avoid the most common mistakes. Please read these instructions carefully before submitting your employment application. Any misrepresentation in this application and/or attachments WILL cause your application to be rejected, your name to be removed from the eligible register and/or subject you to dismissal.

GENERAL INFORMATION

- Calloway County Fiscal Court includes subsidiaries: Road Department, Animal Shelter, Treasurer, and others, where
 applicable.
- · Please read the minimum requirements before applying.
- Apply for positions only if you meet the minimum qualifications for the job. We cannot waive requirements.
- Type or print applications in blue or black ink.
- Remember to sign and date your application.
- · Applicants should provide accurate and complete information regarding employment, education, criminal history, etc.
- Criminal record checks may be run on all applicants not currently employed by Calloway County Fiscal Court. These record checks will be run prior to candidates being eligible for interview.
 - The following information is required for criminal record checks to be run: Social Security Number, Date of Birth, Driver's License information.
- Once submitted, your application and attachments will not be returned, reused or copied for you.

EDUCATION INFORMATION

- Educational requirements are met only through accredited institutions. The institutions must be accredited by an agency recognized by the United States Department of Education. Foreign degrees must be converted.
- In order for education to be credited, copies of education, certification, and similar documents are required with employment applications. It is best to provide transcripts in case specific courses are needed. It is also beneficial to bring certificates and diplomas for short courses completed, such as software, leadership courses, etc.
- As you renew licenses and certifications, please bring in your new documents for us to copy.
- If your college diploma does not specify what your major field of study was, please submit a transcript.
- Even if you did not complete college, it is still beneficial to submit a transcript of completed courses. If you are applying for a position that requires a college degree and you either did not complete college, or completed but not in the required field, you must list your major undergraduate subjects and credit hours to be considered for employment.

EMPLOYMENT INFORMATION

- Work history is used to determine whether you qualify for the job for which you are applying. Please complete each area of employment history. Do Not Write "See Resume".
- List all periods of employment, beginning with your present or most recent employer and working back.
- Title of position held should be your official title and not a working title or multiple titles.
- It is especially important that you fill out the beginning and ending dates (month/year) and the average number of hours worked per week for each job listed. If the hours varied, list a range such as "5-15" hours, or "20-40" hours. If you often worked overtime, "40+" is acceptable in the hour's box.
- If you held different jobs while working for the same employer (e.g., promotions), treat each change as a separate job using separate blocks and giving specific information for each change.
- Also, describe in detail the specific duties beginning with your primary duties. Job descriptions should include types of
 software used, specific equipment operated, customer service specifics and other such details. Preprinted job
 descriptions are not accepted in place of description of duties on the application form since they do not necessarily
 reflect your particular position.
- Where you have held supervisory positions, please list the number and job titles of those supervised.
- Check your starting and ending dates for feasibility. Look for errors such as employed from 2/6/87-1/4/82 or a date of 14/2/93.
- Please do not use abbreviations, initials or military jargon when describing your duties or listing your job title.
- Include specific details such as software used, equipment operated, types of records maintained, etc.

APPLICATION SUPPLEMENTS

• If a position requires a license or certification, you must have an up-to-date license/certification (e.g., driver's license, EMT, CDL) on file with the Human Resources Department to be considered for employment in that position.

Thank you for your interest in Calloway County Fiscal Court employment and good luck in your employment search.
