# Solar Farm Application

**Application Fee: \$1,000.00**

## REQUIRED ATTACHMENTS:

- \_\_\_\_\_ 1. Copy of deeds and lease agreements for participating property.
- \_\_\_\_\_ 2. A list of names, addresses, and property tax map parcel number of all adjoining non-participating property owners to include all owners within 2,500 ft. of SES.
- \_\_\_\_\_ 3. A written description of the proposed facility that includes a statement of conformance with the requirements of Ordinance #24-0417-A.
- \_\_\_\_\_ 4. A signed statement from the applicant and all participating property owners attesting to the truthfulness and exactness of information supplied.
- \_\_\_\_\_ 5. A copy of interconnection approval documentation of the proposed facility with the host electric utility.
- \_\_\_\_\_ 6. Six (6) copies of a conceptual site plan, drawn to scale of no greater than 1" to 100' which illustrates all the requirements of Ordinance #24-0417-A Section Z (a)i-VII.
- \_\_\_\_\_ 7. A topographic map that depicts vegetative cover, watersheds, floodplains, and all other geographic information about the property and surrounding area.
- \_\_\_\_\_ 8. A map from the Natural Resources Conservation Service identifying requirements of Ordinance #24-0417-A.
- \_\_\_\_\_ 9. Proof of casualty & liability insurance covering installation and operation of the SES.
- \_\_\_\_\_ 10. State Approval (if applicable).
- \_\_\_\_\_ 11. Copy of a Decommissioning Plan that meets the requirements of Ordinance #24-0417-A.
- \_\_\_\_\_ 12. Copy of a surety instrument in an amount and form acceptable to the Calloway County Judge Executive and sufficient to cover the costs of decommissioning the SES.
