

CALLOWAY COUNTY VETERANS NOT INCLUDED IN 1946 HEROES PUBLICATION

In 1946, the *Ledger & Times* published a series of supplements entitled *Heroes World War II: Calloway County, Kentucky*, featuring over 2,000 World War II veterans. Below are the names of county veterans omitted from that series. All have been identified as residents of the county or, if not, under the jurisdiction of the Calloway County Selective Service Board. This list also is almost certainly incomplete, but every effort was made to be comprehensive and accurate, although mistakes may still be present.
