Dr. Forrest C. Pogue
10 West Howell Avenue
Alexandria, Virginia

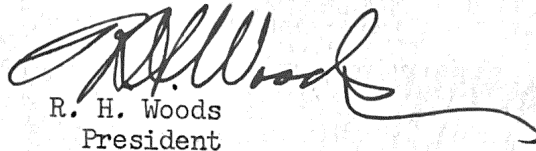

Dear Forrest:

I am enclosing herewith a copy of the letter which I have sent to the Commanding General of the Second Army; and copies have gone to Major General Milton, Mr. Elvis Stahr, Senators Clements and Underwood, Representative Gregory and to Miss Mayrell Johnson.

As the opportunities present themselves, I shall appreciate it if you will "plug" our request and, also, find out what you can about new developments regarding the ROTC training.

It was good to visit with you, and we appreciate very much your continued interest and very great assistance.

Sincerely yours,

R. H. Woods
President
