OFFICE OF THE PRESIDENT

Dr. Forrest C. Pogue
Director of the Research Center
George C. Marshall Research Foundation
Box 831
Lexington, Virginia

Dear Dr. Pogue:

It was good to have your letter of January 23. I am sorry that I did not get to see you and Christine when you were in Murray.

We have been exceedingly busy and I suppose we may expect to be kept busy. The new dormitory is not quite finished. We are hoping to move near the first of March. It is possible that we can move on the first, or we might have to move on the 8th or 9th.

I presume that you have read in the paper that Henry Chambers died of a heart attack on Sunday. Murray lost one of its finest citizens when Elmus Beale passed away. We all shall miss him.

Our enrollment for the second semester is 2,012.

With kindest regards to you and Christine, I am

Sincerely yours,
