OFFICE OF THE PRESIDENT

Dr. Forrest C. Pogue
5214 8th Road South
Arlington 4, Virginia

Dear Dr. Pogue:

It was good to have you back on the campus of Murray State College. I enjoyed hearing you. I got in for most of your speech, I am sure that you understand. We had another conference on the campus which I had to greet at 9:00 A.M., which serves to explain my tardiness.

You did a grant job as usual and we hope that you will come often.

Sincerely,

A handwritten signature in cursive script, reading "R. H. Woods".
