3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mrs. Calhoon:

The Army Effects Bureau has received from overseas some personal effects of your husband, Private First Class Alvis Calhoon.

These effects are being forwarded to you in one package. Regrettably, the property was damaged prior to receipt at this Bureau.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your husband.

Yours very truly,
