1. Reference is made to basic communication.
2. Receipt of reports is acknowledged.
3. Comparison of dental chart for remains formerly interred as Pfc. Parvin Cook, 35725779, in USMC Barrackpore, India, Plot 3, Row W, Grave 31, with Army dental records of Pfc. Cook, has been made with positive results. Comparison is identical. In view of identical dental comparison, favorable height, type of clothing found on remains, and the fact that an identification tag was found on the remains, it is determined that the remains formerly interred in grave 31 are those of Pfc. Cook. Comparison of the dental chart for remains formerly interred in grave 1892, USMC Kalaikunda, India, with Army dental records of Pfc. Cook, was made with negative results.
4. It is therefore requested that all records be amended to indicate that the remains previously interred in grave 31, USMC Barrackpore, India, are those of Pfc. Cook. Records of this office have been amended. It is further requested that the remains previously interred in grave 1892, USMC Kalaikunda, India, be redesignated as Unknown and a corrected Report of Interment be forwarded this office at the earliest practicable date.

SUBJECT: Transmittal of Report of Reinterment.

TO : The Office of The Quartermaster General,
Department of the Army, Washington 25, D.C.
ATTN: Memorial Division.

1. Transmitted herewith is a Report of Reinterment together with Medical Examination Report and Dental Chart for human remains removed from an isolated grave on a former battlefield near Myitkyina, Burma. It is noted from Medical Examination Report that these remains comprise a complete skeleton on which was found an Identification Tag and an Identification Bracelet bearing the name PARVIN COOK, 35725779. These remains were reinterred in Plot 3, Row W, Grave 31, at the U.S. Military Cemetery, Barrackpore, India.

2. It is advised that this headquarters already has a PARVIN COOK, 35725779, PFC. 475th Infantry, interred in Plot 8, Row S, Grave 1892, in the U.S. Military Cemetery, Kalaikunda, India. A Form 1042 accomplished by a previous headquarters, concerning this burial, shows that subject decedent was removed from Plot 8, Row B, Grave 88, U. S. Military Cemetery at Myitkyina, Burma. GR Form #1, shows that no Identification Tags were found on the remains but that one was attached to the Wooden Cross marking the grave.

3. Because of this duplication this headquarters reexamined the grave in Kalaikunda Cemetery and found that it contained a complete skeleton, on which a Dental Chart was accomplished and is attached herewith as Inclosure No.2. It is requested that the Dental Chart referred to above and the Dental Chart accompanying attached Form 1042 be compared with the War Department Records of "PARVIN COOK" to ascertain which compares favorably with his remains, and results of findings furnished American Graves Registration Service Honolulu.

4. In either case one of these burials will be that of an unidentified individual, therefore, it is further requested that the Dental Chart for the unidentified remains be compared with the charts of other personnel carried as "MISSING" or "KILLED" in the Myitkyina, Burma area in an effort to establish identification.

EXPLANATION OF BOX "A"

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF BOX "B"

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Your letter pertaining to the remains of your son, the late Private First Class Parvin Cook, has come to my attention.

I wish to inform you that it will be possible to comply with your wishes to have the remains of your son returned to the United States for interment in the private cemetery of your choice. However, it will be necessary for you to forward to us immediately by telegram collect, the full name and address of your funeral director or other person whom you wish to receive the remains.

The Government will assume all cost of transportation to the place designated for delivery of the remains, and will contribute a sum not to exceed \$75 toward the defrayment of actual burial expenses. Your Government will, upon your request, also provide and deliver to the railroad station nearest the cemetery an approved, properly inscribed headstone. A military escort will accompany the remains; will assist, as necessary and requested, in completing arrangements for desired military burial honors; and will, if requested by the next of kin, remain for the services for a period not exceeding 72 hours from the time he arrives with the remains.

All arrangements for the burial lot, opening and closing the grave, interment, perpetual care of grave, funeral services, and military honors, if desired, are the responsibility of the next of kin. The military escort will deliver appropriate printed instructions regarding the manner of submitting claim for the Government contribution of \$75 toward actual burial expense. Burial expense in excess of \$75 will be borne by the person contracting for such services.

Your prompt reply will avoid further unnecessary delay and will be appreciated.

Sincerely yours,

SUBJECT: Transmittal of Report of Reinterment.

TO : The Office of The Quartermaster General,

ATTN: Memorial Division.

1. Transmitted herewith is a Report of Reinterment together with Medical Examination Report and Dental Chart for human remains removed from an isolated grave on a former battlefield near Myitkyina, Burma. It is noted from Medical Examination Report that these remains comprise a complete skeleton on which was found an Identification Tag and an Identification Bracelet bearing the name PARVIN COOK, 35725779. These remains were reinterred in Plot 3, Row W, Grave 31, at the U.S. Military Cemetery, Barrackpore, India.

2. It is advised that this headquarters already has a PARVIN COOK, 35725779, PFC. 475th Infantry, interred in Plot 8, Row S, Grave 1892, in the U.S. Military Cemetery, Kalaikunda, India. A Form 1042 accomplished by a previous headquarters, concerning this burial, shows that subject decedent was removed from Plot 8, Row E, Grave 88, U. S. Military Cemetery at Myitkyina, Burma. GR Form #1, shows that no Identification Tags were found on the remains but that one was attached to the Wooden Cross marking the grave.

3. Because of this duplication this headquarters reexamined the grave in Kalaikunda Cemetery and found that it contained a complete skeleton, on which a Dental Chart was accomplished and is attached herewith as Inclosure No.2. It is requested that the Dental Chart referred to above and the Dental Chart accompanying attached Form 1042 be compared with the War Department Records of "PARVIN COOK" to ascertain which compares favorably with his remains, and results of findings furnished American Graves Registration Service Honolulu.

4. In either case one of these burials will be that of an unidentified individual, therefore, it is further requested that the Dental Chart for the unidentified remains be compared with the charts of other personnel carried as "MISSING" or "KILLED" in the Myitkyina, Burma area in an effort to establish identification.

1. Reference is made to basic communication.
2. Receipt of reports is acknowledged.

3. Comparison of dental chart for remains formerly interred as Pfc. Parvin Cook, 35725779, in USMC Barrackpore, India, Plot 3, Row V, Grave 31, with Army dental records of Pfc. Cook, has been made with positive results. Comparison is identical. In view of identical dental comparison, favorable height, type of clothing found on remains, and the fact that an identification tag was found on the remains, it is determined that the remains formerly interred in grave 31 are those of Pfc. Cook. Comparison of the dental chart for remains formerly interred in grave 1892, USMC Kalaikunda, India, with Army dental records of Pfc. Cook, was made with negative results.

4. It is therefore requested that all records be amended to indicate that the remains previously interred in grave 31, USMC Barrackpore, India, are those of Pfc. Cook. Records of this office have been amended. It is further requested that the remains previously interred in grave 1892, USMC Kalaikunda, India, be redesignated as Unknown and a corrected Report of Interment be forwarded this office at the earliest practicable date.

1. Transmitted herewith is a Report of Reinterment together with Medical Examination Report and Dental Chart for human remains removed from an isolated grave on a former battlefield near Myitkyina, Burma. It is noted from Medical Examination Report that these remains comprise a complete skeleton on which was found an Identification Tag and an Identification Bracelet bearing the name PARVIN COOK, 35725779. These remains were ~~removed~~ reinterred in Plot 3, Row W, Grave 31, at the U.S. Military Cemetery, Barrackpore, India.

2. It is advised that this headquarters already has a PARVIN COOK, 35725779, PFC, 475th Infantry, interred in Plot 8, Row S, Grave 1892, in the US Military Cemetery, Kalaikunda, India. A Form 1042 accomplished by a previous headquarters, concerning this burial, shows that subject decedent was removed from Plot 8, Row B, Grave 88, U. S. Military Cemetery at Myitkyina, Burma. GR Form #1, shows that no Identification Tags were found on the remains but that one was attached to the Wooden Cross marking the grave.

3. Because of this duplication this headquarters reexamined the grave in Kalaikunda Cemetery and found that it contained a complete skeleton, on which a Dental Chart was accomplished and is attached herewith as Inclosure No. 2. It is requested that the Dental Chart referred to above and the Dental Chart accompanying attached Form 1042 be compared with the War Department Records of "PARVIN COOK" to ascertain which compares favorably with his remains, and results of findings furnished American Graves Registration Service Honolulu.

4. In either case one of these burials will be that of an unidentified individual, therefore, it is further requested that the Dental Chart for the unidentified remains be compared with the charts of other personnel carried as "MISSING" or "KILLED" in the Myitkyina, Burma area in an effort to establish identification.

Dear Mrs. Cook:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,
